## It is our opinion

that the best possible school education of children should never be dependent on parents' budget. Unfortunately, it is often difficult for families with low incomes to afford the high costs of school materials.

## This is why

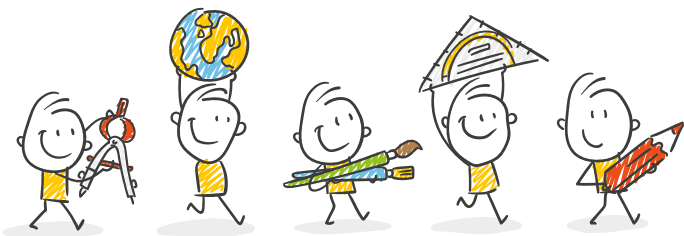

our "**Buntstift**" school supplies shops offer precisely these families the possibility of buying school materials especially cheaply, at only 25% of the retail price.

## Our Buntstift establishments

are open to all families entitled to shop in them.

## The family is entitled

to do this if its income is low and/or a claim to financial support exists. The income must therefore be checked in advance.

## If you are entitled,

proof of this may be in the form of a social pass of the City of Vilsbiburg and/or of the local authority of your place of residence, or confirmation from the district authority or your responsible parish, and/or social institution.

## It is possible that you are entitled if you receive:

- Unemployment Benefit I
- Unemployment Benefit II (Hartz IV)
- Sozialhilfe and Grundsicherung [income support and social security] (SGB XII)
- Low income
- Low pension

Do you need school supply items and fulfil the above conditions, or would you like to fill in an application, and/or do you have any general questions?

## We thank the City of Vilsbiburg for its support of the Buntstiftladen
